Child Visa - SC802

SC802 is a permanent visa that allows an eligible parent to sponsor their child to live in Australia. The child must be in Australia when the application is lodged and granted.

The Child Visa (SC802) would suit YOUR CHILD when:

- if your child is currently in Australia
- is younger than 18 years of age, a full-time student between 18 and 25 years of age, or is unable to work due to a disability (and “dependent” on the sponsoring parent/s)
- is single (does not have a spouse, is not engaged to be married, and does not have a de facto partner)
- is sponsored by their parent or their parent’s partner (who is also classed as an ‘eligible parent’)
- If your child is currently living overseas, Child Visa Subclass 101 will allow you to bring them to Australia to live with you.
