Temporary Graduate Visa – SC485

This is a temporary visa which allows recent graduates from an Australian educational institution to work within Australia.

There are two methods to achieve the grant of a SC485 Visa - viz:

1. Graduate Work Stream
2. Post-Study Work Stream

You can only apply for this visa if you are in Australia at the time of application, and hold a current eligible visa.

The Temporary Graduate Visa (SC485) would suit you if:

- You are less than 50 years of age
- you graduate with eligible qualifications and skills - relevant to an occupation on the current Skilled Occupation List (SOL)
- you only wish to live, study or work in Australia for 18 months
- you only intend to apply for this visa on one occasion (as the primary applicant)
- you meet the two-year Australian study requirement
- you have at least competent English (i.e average score > 7 on IELTS)
